

PLANNING MANAGER

Salary: £DOE

Port of Dover Cargo specialises in the handling, storage and freight forwarding of temperature controlled commodities. Located within its new facilities at the Western Docks, the cargo terminal sits opposite to the Channel's main shipping lanes and has direct motorway links to London and beyond, offering fast and direct access to UK and European markets.

Job summary:

An exciting opportunity has arisen for a Planning Manager to join our Cargo team.

Responsible for the planning of all resources based on the vessel forward programme as well as ascertaining priorities, including labour requirement, asset allocation, berths and internal/external customer requirements.

Skills and Qualifications:

- Minimum of 3 years recent experience within a Resource planning/Capacity planning management role
- Excellent knowledge of operational planning (desirable within vessel/cargo planning)
- Previous experience with planning/scheduling systems
- Advanced knowledge of MS Office
- Experience working and delivering to a manpower budget
- Excellent analytical and communication abilities

Please send a CV and covering letter outlining your salary expectations to the email address below.
