

Pilot Vessels *Dovorian* and *Director*

The Pilot launches *DOVORIAN* and *DIRECTOR* are vessels providing general pilotage duties at Europe's busiest ferry port.

Both are vessels developed on the well proven hull form of the Aqua Star/Nelson range, a seaworthy single chine hull form which has been developed and improved over many successful years and used by many leading port authorities.

The vessels use GRP (glass reinforced plastic) construction techniques to provide an especially stiff and tough hull construction ideal for the rigours of pilotage operations in the Straits of Dover.

Pilot Vessel *Director*

Technical Data:

Built: 1996
 Class Aqua Star 38' Pilot launch
 Builder Aqua Star Workboats Ltd
 Overall Length 11.18m
 Beam 3.55m
 Displacement 13.46t
 Category 3 Up to 20 miles from safe haven
 Maximum no. of persons
 to be carried (inc. crew) Eight
 MCA unique number D00PB0113044
 Propulsion CAT 3126 – 310 hp @ 2400rpm x2
 MMSI number 235080091
 Call sign MWID7
 Radar Raymarine E120
 A.I.S Simrad AI50 class 'B'

Pilot Vessel *Dovorian*

Technical Data:

Built: 2006
 Class Aqua Star Nelson 42' Pilot launch
 Builder Goodchild Marine
 Overall Length 12.80m
 Beam 4.24m
 Displacement 15.12t
 Category 3 Up to 20 miles from safe haven
 Maximum no. of persons
 to be carried (inc. crew) Seven
 MCA unique number M06PB0120888
 Propulsion SCANIA D19 55
 – 352 hp @ 2200rpm x2
 MMSI number 235037385
 Call sign MNDF9
 Radar Raymarine E120
 A.I.S Simrad AI50 class 'B'
